

A Vision for Your Home

Take a few quiet minutes to think about the home and life you are building. There are no perfect answers. Use these questions to help put your vision into words.

1. I want our home to be a place where...

2. How do I want our family life to feel?

3. What matters most in this season of our life?

4. What do I want more of in our home and family life?

5. What do I want less of?

6. What has God entrusted to my care right now?

7. What would wise stewardship of our home, time, money, and possessions look like?
